## COLDWATER CREEK THE SPA

The spas of Coldwater Creek have been in existence for four years with nine locations around the country. The Naperville location is the only location in the Illinois market with about seventy percent of clients coming from the surrounding areas, including some clients from Wisconsin and Indiana.

*“Naperville has grown so much in the past ten years that it’s a real destination for people who want that city feel and they want all of the amenities that a downtown metropolitan area offers.”*

The majority of The Spa’s demographic is between thirty years old and sixty years old. She is a working woman who looks to Coldwater Creek The Spa as her stress relief or her way to

get away without traveling on an airplane.

Among the many services the spa offers are manicures, pedicures, massages, body treatments, facials and waxing.

Anne Marie has enjoyed being in the Main Street Promenade because it is in the heart of downtown Naperville which she feels is “a real destination for people who want that city feel and they want all of the amenities that a downtown metropolitan area offers but they don’t want to deal with the traffic of a downtown

building as well as their customers. She is looking forward to the opportunity to partner with other businesses in the Main Street Promenade on women focused events.
