The Main Street Promenade offers J.P. Morgan a vibrant atmosphere that suits their

client base. “It’s the best place in Naperville for business” says Joe Weidenbach, Managing Director. He recognizes that people come to Downtown Naperville because of the similarities to downtown Chicago. There are great restaurants, high end retail and a welcoming attitude towards businesses. Joe feels that “like minded people want to be near like minded people” and Downtown Naperville offers great opportunities for just that.
